

# Core Bus Corridors Blanchardstown to City Centre

There has been a lot of thinking and work on the best routes for bus corridors.

These are known as Emerging Preferred Routes.

One route goes from Blanchardstown to the City Centre.

This bus corridor will start at the South Blanchardstown Road junction with the N3.

It will go on the Blanchardstown Road South into the Blanchardstown Shopping Centre.

The bus will then travel along the N3 Navan Road to the Old Cabra Road.

The bus corridor will continue along the Old Cabra Road, Prussia Street, Manor Street and Blackhall Place.

It will join the bus lanes on the North Quays.

Now, the bus journey from Blanchardstown to the City Centre takes over an hour.

With the bus corridor, this journey will take up to 30 minutes.

The route is around 8 kilometres.

There will be new cycle lanes along this route.

We need to make changes along the route to make room for the bus corridor.

For example, changing the road layouts, taking down and replacing some trees, taking away parking spaces, making changes to some gardens.

You will find a map for this route and an information booklet at:
