

# Core Bus Corridors Ringsend to City Centre

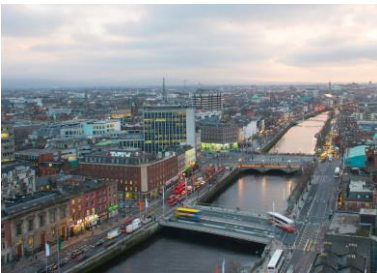

There has been a lot of thinking and work on the best routes for bus corridors.

These are known as Emerging Preferred Routes.

One route goes from Ringsend to the City Centre.

This bus corridor will start at Talbot Memorial Bridge.

The bus will travel on the North and South Quays.

This bus corridor will link the City Centre with the Docklands, Ringsend and Irishtown.

Now, the bus journey from Ringsend to the City Centre takes up to 35 minutes.

With the bus corridor, this journey will take up to 18 minutes.

The route is 5 kilometres.

There will be new cycle lanes along this route.

We need to make changes along the route to make room for the bus corridor.

For example, changing road layouts and adding a new bridge.

We will also need to take away some parking spaces, take down and replace trees, and make changes to a small number of gardens.

You will find a map for this route and an information booklet at:
