

Core Bus Corridors Ballymun to City Centre

There has been a lot of thinking and work on the best routes for bus corridors.

These are known as Emerging Preferred Routes.

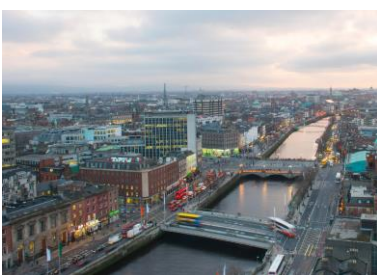

One route goes from Ballymun to the City Centre.

This bus corridor will start on Ballymun Road at the junction with Santry Avenue and Balbutcher Lane.

The bus will travel along Ballymun Road, St. Mobhi Road, Botanic Road and Prospect Road.

The bus corridor will then go onto Phibsborough Road, Constitution Hill and Church Street.

At Arran Quay, it will join the bus lanes on the North Quays.

Now, the bus journey from Ballymun to the City Centre takes 45 minutes.

With the bus corridor, this journey will take up to 25 minutes.

The route is 6 kilometres.

There will be new cycle lanes along this route.

We need to make changes along the route to make room for the bus corridor.

For example, taking away parking spaces, changing road layouts, taking down and replacing trees, making changes to some gardens.

You will find a map for this route and an information booklet at:
