

Core Bus Corridors Tallaght to Terenure

There has been a lot of thinking and work on the best routes for bus corridors.

These are known as Emerging Preferred Routes.

One route goes from Tallaght to Terenure.

This bus corridor will start on the Tallaght Road, beside the M50 junction.

It will go along the Tallaght Road and Templeogue Road, through Templeogue village, to Terenure Cross.

At Terenure Cross, this bus corridor will join the Rathfarnham Core Bus Corridor.

Now, the bus journey from Tallaght to Terenure takes over 30 minutes.

With the bus corridor, this journey will take around 10 minutes.

The route is 4 kilometres.

There will be new cycle lanes along this route.

We need to make changes along the route to make room for the bus corridor.

For example, changing road layouts and speed limits, taking away parking spaces, making changes to some gardens.

You will find a map for this route and an information booklet at:
