

Core Bus Corridors Lucan to City Centre

There has been a lot of thinking and work on the best routes for bus corridors.

These are known as Emerging Preferred Routes.

One route goes from Lucan to the City Centre. This bus corridor will start at Junction 3 on the N4 Lucan Road.

It will go along the N4 as far as Junction 1 – the M50.

The bus will then travel along the Chapelizod Bypass, Con Colbert Road and St John's Road West.

At the Frank Sherwin Bridge, it will join the bus lanes on the North Quays.

Now, the bus journey from Lucan to the City Centre takes up to 50 minutes.

With the bus corridor, this journey will take up to 35 minutes.

The route is around 10 kilometres.

There will be new cycle lanes along this route.

We need to make changes along the route to make room for the bus corridor.

For example, changing the road layouts, taking down and replacing some trees, taking away parking spaces, making changes to some gardens.

You will find a map for this route and an information booklet at:
