

BUSCONNECTS CORK SUSTAINABLE TRANSPORT CORRIDORS

COMMUNITY FORUM TERMS OF REFERENCE

1. Membership of the Community Forum will comprise of two representatives from residents'/community associations, disability groups, special interest groups and business organisations on the corridor, along with local public representatives, together with personnel from the National Transport Authority (NTA).
2. Meetings of the Community Forum will be chaired by an independent chairperson.
3. The core objective of the Community Forum is to facilitate a two-way dialogue process between representatives of communities / groups and the NTA in relation to the Sustainable Transport Corridor proposals.
4. It will enable information to be provided more directly by the NTA to the parties most impacted by the proposals.
5. It will allow concerns about the proposals to be raised by the participants and for the NTA to address and respond to those concerns.
6. It will allow constructive ideas and viable alternatives to be brought forward to improve the overall proposals.
7. It will assist in enabling the resolution of local issues within the proposals in a timely manner.
8. It will allow discussions and suggestions in relation to ideas for urban centre improvements that could be incorporated into the project.
